

BECOME AN ADVOCACY LEADER

2016 is a major election year in Kentucky. The impact of this year's races has the potential to be felt for years to come. You can play a pivotal role in the outcome of this election by participating in **KPPAC 100**.

KPPAC 100 is a new program of the Kentucky Physicians Political Action Committee (KPPAC) designed to **promote physician leadership** and develop KPPAC into a \$100,000 PAC. By joining this effort, physicians will **amplify their voice** in the election process, assist in electing pro-medicine candidates and, as a result, have a greater impact on the practice of medicine. For more details of this exciting new program, please contact Laura Hartz at Hartz@kyma.org or (502) 814-1386.

RECOGNITION BEGINS AT \$1,000 DONATIONS

All contributions will go toward the \$100,000 goal. Individuals who contribute or fundraise at least \$1,000 will receive added benefits.

YOU'LL RECEIVE
