

# NANCY SWIKERT, M.D., SHARES ADVANTAGES OF MEMBERSHIP IN THE AMA

Every physician in the AMA for less than \$1.16 a day! Here are some benefits of belonging to the nation's largest organization serving physicians.

## A. PHYSICIAN OPPORTUNITIES:

### Career Center for Physicians

Search the JAMA Career Center to discover the many physician jobs available across the country and in a number of specialties.

### Physician Volunteer & Paid Opportunities

Learn about the Physician Opportunities Portal, the interactive tool that helps uncover paid and volunteer short-term positions.

### Leadership & Involvement Opportunities

Discover and apply for leadership opportunities available to physicians, residents and medical students across the AMA.

### Resources for Physicians Returning to Clinical Practice

Find resources for physicians returning to practice after a leave, including information on state- and medical school-based physician re-entry programs.

## B. FINANCIAL MANAGEMENT:

### Auto Discounts

Use AMA-negotiated discounts to buy or lease new and used cars, secure auto loans and rent vehicles.

### Loans & Financial Services

Find savings to help organize personal finances manage debt and run a practice more efficiently.

### Travel Discounts

Save on car rentals and get discounts on group travel and cruises. Plus, earn cash-back rewards with the AMA travel rewards credit card.

### Insurance Benefits for Your Personal & Professional Security

See the variety of insurance options available to physicians, including health, life and disability.

### Refinancing Medical Student Loans

Use AMA-negotiated options through Credible Labs to refinance student loans.

### Responding to Tax Return Fraud

Read what physicians should do if they are the targets of tax return fraud.

## C. PRACTICE MANAGEMENT OVERVIEW

Managing Your Practice  
Coding & Billing  
Medicare & Medicaid  
Private Payer Reform  
Claims Processing & Practice Revenue  
HIPAA Compliance  
Medical Liability Reform

## D. DELIVERING CARE OVERVIEW

Preventing Chronic Disease  
Reducing Opioid Abuse & Misuse  
Public Health  
Population Care  
Advances in Patient Care  
Clinical Research & Diagnosis  
Physician-Led Teams  
Improving Digital Health

## E. EDUCATION OVERVIEW

### Creating the Medical School of the Future

See how the AMA works with schools to prepare for the future.

### Continuing Medical Education

Explore the AMA Education Center to enhance understanding of the CME credit system and find courses that advance professional development.

### Financing Medical School

Learn about scholarship opportunities available to help lower the cost of medical school.
