

Is lack of insurance or out of pocket expense keeping your patients from getting screened for colon cancer?

GOOD NEWS!

Your patients may qualify for a **FREE** screening or surveillance colonoscopy if they are:

Age 45 - 75

Uninsured or Underinsured (high deductible plan)

(includes those without Medicare Part B coverage)

A Kentucky Resident

Screening Saves Lives!

Call Kentucky CancerLink 877-597-4655
to discuss eligibility.

Financial guidelines are based on individual income.
