

Have you registered? There is still time!  
KMA's popular Meet the Mandates is being offered in a virtual setting for the first time!

All sessions presented in partnership with the Kentucky Board of Medical Licensure and meet mandated requirements for licensure.

FRIDAY, AUGUST 28

- **Domestic Violence Educational Session**
  - This session will be released at 8:00am EDT in a pre-recorded format with Live Q and A with speakers immediately following the session.
- **Pediatric Abusive Head Trauma**
  - This session will be released at 12:00pm EDT in a pre-recorded format.

**Clinical Considerations of Substance Abuse and  
Critical Components of Proper Prescribing (House Bill 1)**

The Kentucky Medical Association gratefully acknowledges the unrestricted educational grant from the FSMB Foundation in the amount of \$10,000 to support this activity.

Saturday, August 29

- Session 1: 9:00am EDT-Rising Drug Trends in the US and Kentucky
- Session 2: 10:15am EDT- An Overview of Benzodiazepines in Clinical Settings
- Session 3: 11:30am EDT-COVID-19 MAT Regulations and Buprenorphine Regulation Amendments

Sunday, August 30

- Session 4: 9:00am EDT-A Look Into the Future: Exploring the Clinical and Economic Implications of Substance Abuse
- Session 5: 10:15am EDT-KASPER Update
- Session 6: 11:15am EDT-Recognizing Symptoms of Addiction

Each session is planned for 45 minutes followed by Q&A. Participation in all sessions will provide the mandated 4.5 credits required for licensure.
