

RESOLUTION

Subject: Aligned Health Insurance Policy Terms with Benefits

Submitted by: Greater Louisville Medical Society

Referred to: Reference Committee

---

WHEREAS, the Kentucky Department of Insurance does not require commercial insurance companies to align benefit programs with premium contract cycles; and

WHEREAS, this can result in an insured having to meet their deductible and out-of-pocket maximums twice in one calendar year; now, therefore, be it

RESOLVED, that the Kentucky Department of Insurance require commercial carriers to offer plans that sync the benefit terms with the premium contract duration.
