

RESOLUTION

Subject: Pharmacist Collaboration

Submitted by: Lexington Medical Society

Referred to: Reference Committee

---

WHEREAS, medical providers have the right to prescribe medications for their patients and pharmacists have the right to refuse to fill prescriptions that violate their conscience; and

WHEREAS, communication between the 2 above parties to resolve any uncertainties regarding treatment goals and indications should there be concerns regarding the indication, dosing, or quantity dispensed of a medication; now, therefore, be it

RESOLVED, that KMA work with the Kentucky Board of Pharmacy to strongly encourage collaboration between pharmacists and medical providers to provide optimal patient care and resolve any concerns regarding a prescription.
