Celebrating Our Stars

KPLI LEADERSHIP DINNER 2025

*Friday, August 22
Louisville
Marriott
East*

Since 2017, the KMA and KFMC's award-winning Kentucky Physicians Leadership Institute has inspired the next generation of physician leaders in the Commonwealth.

Through education and advocacy training, graduates have gone on to healthcare and community leadership roles across the state and country, impacting change at nearly every level.

On August 22, 2025, KMA and the KFMC will host a first-of-its-kind leadership dinner, where alumni from every KPLI class will gather and be recognized for their contributions to healthcare. This invitation-only event promises to bring together the most influential physician leaders in Kentucky for an evening of networking, celebration, and connection.
