

PEDIATRIC BONE DAY

SAVE THE DATE

Friday, Oct. 17th

10 a.m. - 4:30 p.m. EST

In person and Zoom options

Featuring Experts From:

- UK Children's Hospital
- Shriner's Hospital for Children
- Cincinnati Children's Hospital
- Orlando Health Arnold Palmer Hospital for Children

Join us for an educational day of learning about common genetic bone diseases in children and how best to diagnose and treat them.

Full details and event program will be sent closer to the date. Sign up below to receive details once registration is live!
