1375 S. Broadway

Rheum4Thought is an in-person event that is free to attend. Dinner will be provided for attendees, and CME credit will be available. Registration is required. Click [HERE](#) or Scan QR Code to register

Shaping the Future: Cell-Based Therapeutics in Autoimmune Diseases

Presented by:

Paramarajan Piranavan, MD

Chief of the UK Division of Rheumatology

Rheumatology Fellowship Program Director

Learning Objectives

By the end of the session, participants will be able to:

- Describe the immunological basis and mechanisms of action of emerging cell therapies in autoimmune diseases.
- Summarize current clinical trial evidence and safety data for cell therapy in systemic lupus, myositis, systemic sclerosis, vasculitis and rheumatoid arthritis.
- Identify potential patient populations who may benefit from cell therapy in the future.
- Recognize the monitoring requirements, risks, and ethical considerations associated with cellular therapy use in autoimmune diseases.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, UK HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: This live activity is designated for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CNE: The maximum number of hours awarded for this Continuing Nursing Education activity is 1 nursing contact hour(s).

If you require special physical arrangements to attend this activity, please contact Emily Thomas at emily.thomas@uky.edu.

An Equal Opportunity University
