OVERALL LEARNING OBJECTIVES

At the completion of this program, the participant will be able to apply current evidence-based strategies in the diagnosis, management, and intervention of structural heart disease, heart failure, arrhythmias, and other complex cardiovascular conditions, including considerations for special populations, to improve patient care and outcome.

TARGET AUDIENCE

This symposium is designed to meet the educational needs of physicians, physician assistants, nurse practitioners, family practitioners and medical students, nurses, and all other allied health care professionals caring for individuals with cardiovascular disease.

DISCLAIMER

The opinions and recommendations expressed by faculty and other experts, whose input is included in this activity, are their own and do not represent Pikeville Medical Center endorsement. Please review the complete prescribing information of specific drugs or combinations of drugs, including indications, contraindications, warnings, and adverse effects before administering pharmacological therapy to patients.

ACCREDITATION & DESIGNATION STATEMENT

PHYSICIANS:

Pikeville Medical Center is accredited by the Kentucky Medical Association to provide continuing medical education for physicians.

Pikeville Medical Center designates this live activity for a maximum of 7 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES:

Pikeville Medical Center is approved by the Kentucky Board of Nursing as a continuing medical education provider and will award 7 nursing contact hours for this program. KBN provider number 4-0042-12-26-0014 "Kentucky Board of Nursing approval of an individual nursing education provider does not constitute endorsement of program content."

AMERICAN BOARD OF INTERNAL MEDICINE (ABIM) MAINTENANCE OF CERTIFICATION (MOC) RECOGNITION STATEMENT

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

DISCLOSURE STATEMENT

It is the policy of Pikeville Medical Center to adhere to ACCME Criteria, Policies, and Standards for Integrity and Independence in Accredited Continuing Education in order to ensure fair balance, independence, objectivity, and scientific rigor in all its accredited activities. All faculty and planners, along with the Activity Director and Co-Director, participating in accredited activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are mitigated prior to participation in the planning or implementation of this activity.

Faculty members are also expected to disclose any discussion of (1) off label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States. All disclosures will be made at the time of this accredited continuing education activity.
