WHEN YOUR PATIENT IS ON DIALYSIS: CLINICAL INSIGHTS AND INTEGRATED CARE

Presented by: Sadiq Ahmed, MD

Professor of Medicine
Division of Nephrology,
Bone and Mineral Metabolism
University of Kentucky

After this session participants will be able to:

- Recognize when patients need dialysis and the basics of hemodialysis and peritoneal dialysis.
- Identify common issues in dialysis patients, including volume management, electrolyte disorders, anemia, mineral and bone disease, and vascular access concerns.
- Optimize preventive care, medication management, and nutritional needs of dialysis patients.
- Collaborate effectively with the dialysis team to improve patient outcomes.

Future sessions & Past Seminar Recordings at: www.ukynephinars.com

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, UK HealthCare CECentral is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CME: This live activity is designated for a maximum of 1 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

CNE: The maximum number of hours awarded for this Continuing Nursing Education activity is 1 nursing contact hour(s).

If you require special physical arrangements to attend this activity, please contact Emily Thomas at emily.thomas@uky.edu.
