

SMS Terms of Service

We use SMS text communications for account notifications, membership reminders, advocacy notifications, marketing and public service announcements. We only send SMS texts to members and account holders who have separately and affirmatively opted in to receive SMS communications from KMA. Creating a KMA account or maintaining membership does not, by itself, constitute consent to receive SMS messages.

By opting in, you authorize the KMA to send recurring automated SMS text messages to the mobile telephone number you provide. Your consent to receive SMS communications is voluntary and is not a condition of obtaining membership, purchasing any product or service, or receiving any KMA benefit or service.

Message frequency varies. Message and data rates may apply. Reply STOP to opt out of receiving SMS messages. KMA does not sell or share mobile telephone numbers or SMS consent information with third parties or affiliates for their own marketing or promotional purposes. KMA may share such information only with service providers that assist KMA in administering and delivering its SMS messaging program.

The following language is displayed to users signing up for a new account and for existing users who have logged in to edit their account profile:

By checking this box, you are opting into receiving reoccurring automated mobile SMS communications from KMA. These include SMS messages for account notifications, membership reminders, marketing, advocacy notifications, and public service announcements. Message frequency varies. Message and data rates may apply. Reply STOP at any time to opt out. Your consent is voluntary and is not a condition of membership or receipt of KMA services. By checking this box, you acknowledge that you have read and agreed to KMA's SMS Terms of Service and Privacy Policy.

Users must check a box to opt-in to receive SMS communications and can uncheck the box once logged into their profile if they wish to opt-out. KMA will also honor any reasonable request to stop receiving SMS communications submitted through customer service or other recognized methods.
